

# I chose Yuma...

Because there is no place like home! Joining the medical community in Yuma has been a pleasure, and the team at Yuma Regional Medical Center has been wonderfully supportive of our new practice, Yuma Foot Care. Bringing my experience in foot and ankle care to my neighbors, friends and family members is a professional and personal dream come true. It can't imagine raising my children and practicing podiatry anywhere else. Thank you for the warm welcome home, Yuma.

**...and I'm  
glad I did!**

*Dr. Jessica Duggan*

## Yuma Regional Medical Center Welcomes

Yuma native, **Jessica Duggan, D.P.M.**, has returned to her hometown to practice podiatry. She received her Doctor of Podiatric Medicine degree from Midwestern University in Glendale, AZ. She completed her residency in Podiatric Surgery at United Health Services in Binghamton, NY.
